

Furniture truck

The small for the large

Pneumatic tyres with groove profile

- moves 30% easier
- groove profile absorbs less dirt
- low noise moving profile

Soft tube cover:
The soft tube cover protects the goods from minor damage.

New safety handles using improved materials; their flexibility reduces the risk of breakage and ensures optimum user safety.

Steel-rim wheels with precision deep-groove ball bearings

P = pneumatic tyres, SR = solid-rubber tyres

Anti-slip cover:
The anti-slip cover prevents the loaded goods from slipping off the toe.

Wheel cap / steel rim:
the high quality steel rim with the central lock nut is well protected by the Variofit plastic cap.

Precision ball bearing:
sealed and maintenance free precision ball bearing. Guaranteed smooth running with heavy duty also on inclined and rough surfaces.

Processing:
Tubular aluminium and steel trucks of robust welded construction

Best quality – fair price.

In respect of quality we make no compromises. Safe your hand truck with better handles, improved skid protection and smooth running wheels. Improved quality at fair prices double your profit.
